

To Whom it May Concern,

Meals On Wheels of Natrona County Inc would like to commend KCWY-TV in Casper Wyoming for the outstanding work they have done in this community. Without the help from Bill Sullivan and the staff of KCWY, Meals On Wheels (MOW) would not be as successful as we are. During every fundraising event via written request KCWY-TV has done every in-kind promotion to help us ensure the success these events. Through the generous donations of commercials, local spots, design of commercials, interviews, and air time in general just to name a few MOW has been able to raise enough money and recruit enough volunteers to ensure that we are able to carry out our mission of providing our citizens with a hot, nutritious meal as well as a daily well-being check. There has been nothing we have asked that KCWY-TV has not only provided, but went well beyond or request. As the director of Meals On Wheels, I am proud to have KCWY as a leader of this community.

Sincerely,  
Jamie Loveall  
Executive Director
